

Mother's Day Weekend Retreat for women

Windows into the Heart of Mary

On Mother's Day, most mothers enjoy having their children around, and most children enjoy that as well. This Mother's Day weekend would be a good time to spend with Mary, the mother of us all, and she would like that, too. Take some time to listen to her story, and to ponder it in your heart as she used to do. Come to know, appreciate and love her even more. Realize how much she was like you, and you are like her. It's also a great time to get away from the stresses of daily life and to enter into the silence of Manresa and of your own heart.

Besides presentations illustrated with art, there is ample time on your own to rest, relax, reflect, pray, walk or just be.
