

Sunday Afternoon Reflection

Experiencing God's Creation

Creation is God's first Word, and this afternoon of reflection will help us contemplate God's creation during the month of October. The afternoon will include some input in the Ignatian tradition and time to walk the grounds and relate to the beautiful autumn season. It will end with a prayer together highlighting God's creation.

We will meet regardless of weather conditions. We encourage you to dress comfortably for both indoor and outdoor settings. Please join us for this special opportunity to experience God in nature.
