

Manresa Memos

Issue 57 | June-July 2023

Our Mission is to help men and women grow spiritually through prayer, reflection, guidance and teaching according to the Ignatian tradition.

A message from the Executive Director

Dear Friends of Manresa,

Sr. Linda Sevcik, SM

One of my four sisters was recently diagnosed with breast cancer and is in the midst of treatments.

The five of us sisters each live in a different state, stretching from Utah to Ohio; my brother is in West Virginia. We do not see

one another very often, but my sisters and I have an on-going string of text messages over many months. During this time of illness, these text messages have been more frequent and particularly precious to each of us. They have helped us re-connect and support one another and have strengthened our faith at a challenging time.

The lines from Psalm 23 above can help connect our life of faith with what summer offers us. May this season be a time of refreshment and renewal for you, and may it be a time for re-connecting, in a deeper way, with family and friends, especially those most in need.

Please discover in this issue what activities at Manresa may help you in your spiritual renewal.

Blessings,

Sr. Linda Sevcik, SM

Individually Directed Retreats

In summer, dedicated sessions are reserved for individual retreats, with the opportunity to meet one-on-one with a Jesuit or trained lay person. The experience can help you slow down, become more aware of God's love and presence in your life, and help deepen a loving relationship with God. There's a special atmosphere in the house when people come together for a shared purpose, growing closer to the Lord and to one another in silent, prayerful communion.

"In-session" dates allow for eight-day retreats as well as retreats of shorter duration (four-day minimum within session dates/times). Arrival time begins at 5:00 PM on the opening date of the retreat session, dinner is at 6:00 PM and the retreat itself begins at 7:30 PM. The retreat ends at 10:00 AM on the closing date of the retreat session. Alternately, individuals may choose "out-of-session" dates for individually directed retreats between September and April each year.
